For USA Only

Fuel Filter - All K Models

COMPLAINT: Hard starting, continued cranking of engine with the electric starter in order to start.

CAUSE: A crack in the fuel filter housing which results in a drop in fuel pressure. The crack was due to the manufacturer's numbers being stamped into the side of the housing.

REMEDY: A new fuel filter with a thicker housing has been introduced, and the manufacturer's numbers are now printed with an ink stamp.

PART NO: 13 32 1 461 265

Very truly yours,

BMW OF NORTH AMERICA, INC.

A handwritten signature in black ink, appearing to read 'Richard Dampf', written over a horizontal line.
